

Info and rates

Our forestCuBe prices for renting are independent for the working spaces and the house renting. Reservations for spaces are to be made by contacting Mar Cristina.

We are flexible to adjust to your possibilities depending always in how many people will occupy the different areas.

The loft has room for 4-5 people but there are other possibilities to house larger groups in the installations. The working area is a separate building with a 280sq mt scenario that can be divided upon request.

1- Full working area (fully equipped for scenic and plastic arts as PDF specifications in the web page) 750€ for a week (150€ for a day), please consult our pricing for larger periods.

2- If you only need part of the working area, up to a quarter of the space, 70sq mt, 250€ a week (80€ if rented for a day) designed for plastic arts.

3- forestCuBe complete working space + loft equipped for guesting up to 4 people 1200€ by week (250€ if rent by days), consult our prices for larger periods.

4- Reduced space plastic arts + loft equipped for up to 4 people 650€ by week (175€ if rent by day)

The working space

This is a space of about 280m² with a maximum high of 6m, with white walls, plenty of natural light, ideal for rehearsals, workshops, meetings or large format installations. Fire place and toilet with shower. Maximum use of electricity included in the price 3 Kw.

Accommodation

A 100sq mt loft apartment, heating, kitchen perfectly equipped, fire place and toilet with shower. Although is possible to add more space, it serves basically up to 4 people.

Other paying services:

We can offer also catering or food delivery from the restaurants or shops at the nearby villages which serve Mediterranean traditional food and seasonal products.

Other services provided by request include technical or consultancy assistance.
